Sir,

I have the honor to inform you that an estimate for Rs 395/- has been sent up by the Executive Engineer, French Rocks Division, for asphalting the floor of the French Rocks Dispensary. As per standing orders of Government, the cost of repairing &c of the Local Fund Dispensaries will have to be debited to the Provincial, District and municipal funds in equal proportions.

A

A provision of Rs 132/- being 1/3 cost, has been made in the District Fund Budget for 1897-98, but as no funds are available in the French Rocks municipality 1/3 80 are cannot be met from municipal funds. The balance at the credit of the Municipality on the 1st April 1897 was Rs 332-9-4 which is hardly sufficient to meet the current expenditure.

Under the above circumstances, I beg that sanction of Government may be obtained for the exemption of the municipal share.
